## Policy Guidelines:

### Terms for comments on our website:

We invite opinions and comments that are civil, constructive and respectful of diversity.

The right to engage in dialogue on this website comes with the responsibility to tolerate the opinions of others, even if you disagree with them.

Comments should be free of abuse, threat, or offensive language. Views that are hateful, defamatory, or disclose personal matters will not be tolerated.

All comments are moderated and will be either *approved* or *denied* in accordance with these policy guidelines.

Comments that meet these policy guidelines are approved and become publicly visible. By submitting a comment, you are agreeing to share your comment and name you submitted publicly. However, your email will not be made public and is only requested in the event we would like to offer you a direct response if necessary. More information about our privacy policy is available on our website.
